

Credit Hour Policy

Motion to amend the language as follows:

- I. Strike the entire Study Abroad category and replace with the following:

Courses involving travel. Transportation time does not count towards student work effort unless time is simultaneously used for a designated learning activity.

- II. Amend the Other courses category by inserting “study abroad” between “cooperative education” and “internship”, and “academic” between “appropriate” and “program”.
- III. The final amended language should reflect the following:

Courses involving travel. Transportation time does not count towards student work effort unless time is simultaneously used for a designated learning activity.

Other courses. Student teaching, clinical experience, cooperative education, study abroad, internship, field placement, experiential learning activity, independent study, thesis, dissertation, non-contact courses, or other academic work which fit no other classification may receive credit if the work is performed under the supervision of and with approval from a member of the Faculty, with a formal written agreement noting the nature of the academic work, approved also by the appropriate academic program director, chair, or similar overseeing authority at a program-wide level. In this modality, each credit hour consists of no less than 2,250 minutes spent on approved work during the term of instruction. Specific curriculum/programs may require more hours in order to award one credit hour. Credit for these experiences may be determined in accordance with recommendations of a program’s specific accreditor or applicable regulations.
