Nursing, BSN - Accelerated Option

2. Program Modification Proposal 2018-2019 (modify, deactivate, or add a new concentration) v.2

General Catalog Information

INSTRUCTIONS for proposal originators

Select "Program" from the radio box below, then complete the information requested for level, curriculum approval committee, type of program, and applicable change requests.

Program Type (Select "Program")*
- ◉ <mark>Program</mark>
- ○ Shared Core

Level** ☑ Undergraduate ☐ Graduate

Curriculum Approval Committee**
- ☑ Undergraduate Committee
- ☐ Graduate Committee A (COSM, CECS, CONH, BSOM)
- ☐ Graduate Committee B (RSCOB, CEHS, COLA, SOPP)

Approval Route

Choose one or more departments below.

For educator preparation programs include the Teacher Education department. For interdisciplinary programs include all departments required for program approval.

For Honors, Air Force Studies, and Army Studies, please select "University Programs" from the list of departments and programs below.

Department or Program (for approval process)*

Nursing, College of

Type of Program**
- ○ Graduate program in an existing degree
- ○ Undergraduate major in an existing degree
- ○ Undergraduate Minor
- ◉ <mark>Concentration (new or modified)</mark>
- ○ Certificate
- ○ Licensure Program or Endorsement

Select one or more of the following (determines approval routing):**
- ☐ Request 50% or more of program be offered online
- ☐ Request 50% or more of program be offered off-campus
- ☐ Request to offer program at a different WSU campus

- ☐ Request a name change for an UG degree program, major, minor, concentration, or certificate
- ☐ Request a name change for a GR degree program, major, minor, concentration, or certificate
- ☐ Request a new concentration in an existing major/program
- ☑ <mark>Request to deactivate any program (degree, major, minor, certificate, concentration, license, or endorsement)</mark>
- ☐ Above options do not apply

Import the program data using the import button ⬇ above. Do not make any changes to imported information before launching.

Launch ▶ the proposal, then make changes.

IMPORTANT: Be sure to LAUNCH the proposal using the arrow button ▶ above BEFORE you make changes (modify an existing program). If you do not launch the program, your changes will NOT be tracked and a new proposal will be required.

Approve the proposal using the decision ✅ button.

Submit program title changes as a modification and submit a separate deactivate request for the program title to be inactivated. **If the deactivate request is not submitted both programs (old title and new title) remain active and will appear in the catalog.** Program title changes should be approved **at least 60 days before** the requested effective date to allow ample time for approval by the Ohio Department of Higher Education.

TIPS FOR NEW USERS

Turn the help text on by clicking on the following icon ⓘ.
All fields with an asterisk (*) are required fields.
Supporting documents and additional information may be attached using the
🖺 button located at the top of this form but supporting documents do not replace the required fields in the proposal form.

Please complete a separate form for each request. Note that new degree programs or changes of 50% or more require approval by the Ohio Department of Higher Education (ODHE) and must use the New Program approval proposal form.

Concentrations are tied to a major. New concentrations can be proposed by using this Program Modification form to list the new concentration and requirements within a current major or graduate program.

Action* ○ Modify (less than 50% change)
         ⦿ <mark>Deactivate</mark>

Educator Preparation Programs (additional ODHE requirements will be identified by the College of Education and Human Services)

Title: Major/Program, Degree or Area of Study Credential

Examples: English, BA or Reading License

Title*	Nursing, BSN - Accelerated Option

College*	Nursing and Health, College of

Catalog Display

Select the primary College or Department. **Do not select a program.** This information will determine where a program displays in the catalog. A program may display in only one location, under either a College or Department.

College or Department (for catalog display)*	Nursing and Health, College of

Requested Effective Term*	◯ Fall ⦿ Spring ◯ Summer	**Year***	2018

Note: If 50% or more of the program is offered off-campus, mostly on-line, or fully online, ODHE approval and HLC notification is required.

Where is the program offered? (check all that apply)*	☑ Dayton Campus ☐ Lake Campus ☐ Off-Campus in Ohio ☐ Off-Campus outside Ohio ☐ Off-Campus outside of the U.S. ☐ Fully online ☐ Mostly online (less than 50% offered face-to-face)

If 50% or more offered off-campus or online, describe all delivery and location options	

If a change in location (adding or deleting locations), describe change(s) and if 50% or more of program is offered at each location.

Change in location	

If program will be offered off-campus, how will services be available to students (advising, tutoring, counseling, financial aid, etc.)?	

Program Description

The information entered will appear in the catalog as submitted.

Please include information using the following four headings (Heading 2 format, in the order provided below) for consistent presentation in the catalog.

> **Program Description**
>
> **Admission Requirements**
>
> **Program Learning Outcomes** (see examples below)
>
> **For more information visit:** (include the department website)

Program Learning Outcomes

Examples:

History graduates will be able to:

> **write proficiently,**
> **understand the methodology that historians use, and**
> **analyze primary sources and secondary works in order to arrive at a coherent**
> **and well-organized conclusion.**

Program Description, Admission Requriements, Learning Outcomes and Program/Departm Links*	## Program Description: The nursing program, which leads to a Bachelor of Science in Nursing (B.S.N.) degree, is an on-campus program only. The accelerated program option is an option for BSN for students who have prior healthcare experience/training including but not limited to military medical training, Emergency Medical Training (EMT), or training as a Licensed Practical Nurse (LPN). An honors program is available for students with superior

academic ability. A nursing completion program is also available for registered nurses who want to earn a B.S.N degree.

The professional nurse is increasingly being viewed as the nucleus of the health care system, as well as serving as an advocate for health care consumers. Therefore, Wright State's program prepares self-directed graduates who can function as generalists in a number of settings and work in collaboration with other health professionals to coordinate and improve the health care of individuals, families, and communities.

The nursing program at Wright State is accredited by the Commission on Collegiate Nursing Education and approved by the Ohio Board of Nursing. Graduates of the program are eligible for the National Council of State Boards Licensing Examination (NCLEX) to become licensed as registered nurses.

Admission:

Be admitted to Wright State University as a matriculated (degree seeking) student.

Complete by the application deadline dates the following admission prerequisite courses or their equivalent with a grade of C or better, maintaining a minimum 2.75 prerequisite GPA:

Anatomy 2100 (Human Anatomy I)

Anatomy 2120 (Human Anatomy II)

English 1100 (Composition I)

Psychology 1010 (Introductory)

Psychology 3410 (Lifespan Developmental)

Chemistry 1020 (Organic)

Biology 1050, 1070, 1120 or 1150

Statistics 1600

Students who begin the Anatomy and Physiology series Fall 2015 or beyond must provide evidence of taking both Anatomy and Physiology courses at the same institution in order to ensure coverage of all necessary content prior to starting their nursing series of courses. This requirement will be only be waived for students who provide documentation in the form of a course syllabus or other similar documentation that provides evidence of all required anatomy and physiology content.

Achieve a minimum composite score of 80% on the English language, the science, and the math modules on the HESI A2 Entrance exam.

Complete all undergraduate coursework with a minimum of 2.75 cumulative GPA.

Provide evidence of no criminal history record on file from both a Federal Bureau of Investigation and an Ohio Bureau of Criminal Identification and Investigation (or applicable state) for background check. Please be aware that background checks may take up to 30 days to process. It is in your benefit to complete the background check one month prior to the College of

Nursing and Health application deadline. Background checks can be done in the Educational Resource Center at 116 Allyn Hall. The results must be sent to Zane Jacks, College of Nursing and Health, 160 UH, Wright State University, 3640 Col. Glenn Hwy, Dayton, OH 45435. Information on the background check can be found here (pdf).

Submit an Application for Admission (PDF) to the College of Nursing and Health Student Affairs Office, 160 University Hall. Please attach copies of transcripts from all colleges previously attended and HESI results scores to the application.

Application Deadlines

Fall admission only: May 15

Complete an interview with an admission panel.

Admission to the College of Nursing and Health is competitive due to constraints of the affiliating clinical facilities and program resources. The most qualified applicants are selected based on the following criteria: achievement of a minimum score on the HESI A2 Entrance exam, admission prerequisite course work GPA, cumulative undergraduate course work GPA, criminal records check and interview.

The College of Nursing and Health has no waiting list. To be reconsidered for a subsequent admission period, the student must reapply to the program and compete for admission with all other applicants for that period.

Admitted students may not defer entrance to the program; they must reapply. Prior acceptance does not guarantee acceptance at a later date.

In meeting the admission prerequisite courses or progression requirements:

students may repeat any science course once.

only two science courses may be repeated.

all natural science courses must be current (taken within 5 years of acceptance to the program).

All applicants for admission to the nursing program receive consideration regardless of race, gender, national origin, religion, creed, age, political views, sexual orientation, marital status, or veteran status.

Total: 120 Hours

If there is a program modification that impacts the Graduation Planning Strategy (GPS), indicate this below and complete a separate GPS proposal form so that both the program and GPS are updated in the catalog concurrently to ensure consistency between program requirements and the GPS.

Does this program modification require an update to the Graduation Planning Strategy (GPS)?*

○ Yes

○ No

○ Not applicable - not an undergraduate degree program

Department Chair: Please copy and paste the url (web link) from the GPS modification proposal form.

Yes

Additional information, if needed

Program Name Change

Complete this section if the proposal includes a change in the name/title of the degree, major, licensure, or endorsement.

A change in the name/title of the degree and the information below must be approved by the Provost and submitted to the Ohio Department of Education for approval.

Rationale for name change:

Describe how the name change will affect students in the current program.

Are there any administrative, ◯ Yes

curricular, faculty or support service changes occurring along with the name change? ◯ No

If "yes", please describe:

Have the appropriate program accreditation agencies been informed of the proposed change (if applicable)?
◯ Yes
◯ No
◯ Not applicable
