Adjourn meeting

Unclassified Staff Advisory Council (USAC): The purpose of the Unclassified Staff Advisory Council (USAC) is to represent its members to the university by: promoting their general welfare; advocating for unclassified staff through active participation in university governance structure; reviewing, initiating and making recommendation on relevant university policies and procedures; encouraging and facilitating communication among members; and encouraging professional development opportunities. One of the prime responsibilities of this council is to serve the educational community by creating and maintaining an environment conducive to the teaching, learning, research, and service functions of higher education. The recommendations of the council are submitted to the university president.
