

FALL 2018

**BIOMEDICAL SCIENCES PhD PROGRAM
STUDENT SEMINAR**

MELISSA WARD

Year 3

**Area of Concentration-
Molecular Genetics & Cell Biology**

**“Son localization to chromatin corresponds to
transcription at an inducible reporter gene array”**

Monday, November 19th, 2018

3:35 p.m.

101 NEC (auditorium)

*Advisor: Paula Bubulya, PhD
Department of Biological Sciences*

**BIOMEDICAL
SCIENCES**
PhD PROGRAM

**Dr. Mill W. Miller, Director
114 BS I, 775-2504**
