

Free Weight Loss Surgery Education Seminar

Dr. Joon Shim will discuss the following:

- Modern bariatric surgery
- Safety and concerns of current bariatric procedures
- Long-term outcomes of bariatric procedures
- Future of bariatric surgery
- Efficacy of the surgical treatment of obesity

Joon Shim, M.D., M.P.H., FACS, is a fellowship-trained minimally invasive and bariatric surgeon with Wright State Physicians Surgery. She specializes in general surgery, bariatric surgery, minimally invasive surgery, robotic surgery, reflux, hiatal hernia and endoscopy. She also teaches as an assistant professor of surgery at the Wright State University Boonshoft School of Medicine.

The sessions are free and open to the public.
