STEM Internship Opportunity.

ORISE will be on Campus

March 16th, 2:00 PM - 3:30 PM

Brehm Lab 165

ORISE provides research-based internship opportunities in governmental agencies. These opportunities vary in length, from the shorter summer internships to 12-month internships. All provide a stipend to participants, and at the discretion of the sponsor, a health insurance supplement, travel, and professional development/training support.

ORISE supports more than 20 federal departments including CDC, EPA, FDA, FBI, and NIH. They have opportunities for all degree levels from undergraduate through postdoctoral students.

Note: Many positions require U.S. Citizenship, but not all. Some are offered to non-U.S. Citizens who have lived in the U.S. for 3+ years.
