- I. Minutes of the November 22, 2019 meeting were approved as written.
- II. The Committee, by a vote of 4-0, approved the modifications to Policy 3660 Posthumous Degrees and Recognitions, largely reflected previous discussion and modification. The only major change was to substitute “Provost” for “Provost or President” may accepts petitions for expediting or granting exceptions.

It is recommended that the proposed policy be reviewed by the Commencement Committee for further consideration.

- III. The Committee, by a vote of 4-0, approved the modifications to Policy 3110, Degree Seeking Admissions. Aside from some reorganization of the sections, the committee agreed to remove language referring to a requirement demonstrating proficiency by students with ACT English and Math scores below 12 and 13 respectively. If the Office of Student Success proposes setting up a post admissions infrastructure to assure student retention, the UAPC is willing to revisit the Admissions Policy at any time, or to draft post admission placement and advising policies as needed.

- IV. The Committee, by a vote of 4-0, approved Policy 3120, Non-Degree Admissions.

With both admissions policies, it was recommended that Acronyms be spelled out the first time that they appeared. There may be instances in which this wasn't done consistently.
