Colleagues,

I sincerely hope that you and yours remain well.

Recognizing the many challenges that our University community is facing, and wanting to assist with the communication of reliable information about decisions that are being made, the Faculty Senate Executive Committee (EC) is planning two special meetings of the University Faculty during the summer semester. Such steps are authorized by Article III, Section 1 of the *Faculty Constitution*.<sup>1</sup>

The meetings will be held, via Webex, on June 8 and August 10, from 2:30-4:00. The purpose of both meetings is to provide the faculty a chance to hear reports from the University President, Interim Provost, and the Senate EC regarding the University's path forward in light of COVID-19. In order to facilitate the most questions in this short period of time, we ask that any faculty member wanting to ask a question of Dr. Edwards, Dr. Leaman, or of the Senate Executive Committee please submit the questions ahead of time, via the Qualtrics survey included below. These questions will be collated prior to the meeting and shared with the speakers. There will be limited time for follow-up questions during the meeting as well. For the meeting on Monday, June 8, faculty should submit questions no later than 4pm Thursday, June 4<sup>th</sup>.
