HLC Update

- IAC voted to change the review teams outcome evaluation.
- Focused visit in 2 years to assess those areas identified by the review team as met with concerns 5C & 5D
- Now the IAC identified 4B
 - Assessment

IAC comment on Core Component 4B

- The institution needs to provide evidence of ongoing, systematic assessment processes in undergraduate programs, general education, graduate programs and co-curricular programs and that there is substantial involvement by faculty and staff in these assessment processes.
