

# Classroom Upgrades

- Up to 140 classrooms at Dayton Campus and 10 at Lake will be upgraded to be fully digital with digital cameras, ceiling mounted microphones, digital projection systems and Cisco codecs and panels
- Enables simultaneous in-person and live-streamed delivery, including any content shown on the projector
- Supports the ability to record sessions for access via the LMS
  
- This project not only directly supports remote delivery of instruction but also addresses overdue maintenance and upgrades
- These rooms are now positioned to meet Wright State's needs, regardless of teaching mode, for years to come
  
- 39 rooms completed prior to the start of the Fall term
- 103 rooms now completed

**Cisco Control Panel**

**Wall-mounted Cisco Camera**

# Classroom Upgrades – Non-Traditional

- Outfit 37 rooms that have special or restrictive requirements with equipment to support the remote delivery of instruction
- Most received mobile cart solutions that included:
  - Computer and monitor
  - Webcam with adjustable arm
  - Microphone
  - Optional document camera
  - Optional large TV screen
  - Optional special LED lighting for complex or close-up video

**Nursing Mobile Cart**

**CAC Mobile Cart**
