The committee reviewed concerns submitted by a faculty member regarding proposed changes to policy 5720, currently due to be considered as Old Business at the September Senate meeting.

After discussions, the committee approved a motion to change instances of 'adjunct' to 'provisional and associate' in the dissertation section. The Executive Committee will be informed of the request and members were encouraged to identify a Senator from their college that would be willing to make a motion for the proposed changes during the Senate meeting.

IV. Policy 5120

After discussions with interim Graduate School Dean Barry Milligan, the committee agreed to consider the edits as old business at a future meeting. Members were encouraged to seek feedback on the policy, especially in the areas of the external/internal funding.

V. Adjourn – the next meeting will be planned via email
