Original proposal:  
<https://www.wright.edu/sites/www.wright.edu/files/uploads/2020/Mar/meeting/5720%20%282-13-20%29.pdf>

Updated proposal from GAPC:

[https://www.wright.edu/sites/www.wright.edu/files/uploads/2020/Oct/meeting/5720\\_editsforSenate\\_2020-09-30.pdf](https://www.wright.edu/sites/www.wright.edu/files/uploads/2020/Oct/meeting/5720_editsforSenate_2020-09-30.pdf)

This item was tabled by the Senate in September and sent back to committee to comment on the deletions made by the 2019-20 committee. The committee met on September 30 and approved the following statement:

*The material deleted here is currently covered with respect to all graduate students by WSU Policy 5505 (Programs of Study) and WSU Policy 5510 (Academic Standards). It is deleted here in order to eliminate redundancy and limit the possibility of policy sections being revised independently and thereby coming into conflict. This policy as revised would then detail only requirements specific to doctoral students, as opposed to policies that apply to all graduate students (such as those covered in 5505 and 5510).*

Due to the item being tabled in September, a prior motion requested by the committee was not completed. The committee requests the following motion:

*In the Dissertation Committee section (current .6, new .4), change instances of “adjunct” to “provisional and associate”.*

Draft minutes.

**Faculty President Luehrmann requested for unanimous consent to approve this item with the requested motion. The motion passed without dissent. The item was approved.**
