

Wright State University
FY2021 Contracts and Expenditures
July 1, 2020 through August 31, 2020

\$150,000-\$249,999 (Reporting Requirement Only)	
Contract Information	Description of Services
<p>Vendor: Think Patented Committed Contract Period: 10/1/2020 – 9/30/2021 Approval Amount: \$225,000.00 Current Annual Amount: \$300,000.00 Contract Options: (2) - 2 year option Last Bid Date: 2020 WSU Point of Contact: Rob Durkle, M.Ed, Chief Recruitment and Admissions Officer</p>	<p>Print marketing materials from across the university that cannot be printed or mailed using the newly formed Wright State Printing Center. Items printed through this spend will be those that cannot be printed internally due to equipment, stock, staffing, quality, or mailing limitations. Marketing will work closely with the Print Center to improve design, processes, and print quality to grow the proportion of internally fulfilled orders this budget year. Even with greatly increased prospective and retention marketing we do not expect spend to exceed \$225,000 and to be lower in future years as the Print Center meets our needs directly.</p>
