

Wright State University Retirees Association Presents

Dave Williams - Expert on Identity Theft

“Are you an easy mark? Why do identity thieves target senior citizens?”

Please join our **Zoom** event to learn the answers to these and other questions that will be answered by Dave Williams a 30-year member of the Centerville Police Department who served on the Ohio Organized Crime Investigations Commission Task Force from 1991-2000. During his tenure, he also was deputized by the FBI and the United States Marshal’s Service. He currently serves as a part-time patrolman on the Germantown police department.

Dave is well positioned to cover how identity thieves research their victims, what common schemes are used by identity thieves and practical tips to avoid being a victim. From 2002–2012, he was appointed Director of the Tactical Crime Suppression Unit that served all of the municipal police departments in southern Montgomery County. Dave is also a graduate of the FBI National Academy and the Northwestern University Staff and Command School.
