Contract Information	Description of Services
Vendor: JGH Enterprises, Inc. (Harris Search Associates)	The Boonshoft School of Medicine has requested to engage Harris Associates search firm (DBA JGH Enterprises) to recruit two mission-critical and accreditation-required positions: Associate Dean for Medical Education and Associate Dean for Graduate Medical Education/Designated Institutional Official. After 60 days of having both positions posted, neither applicant pool was acceptable from a volume, diversity, or skillset perspective. It is imperative we conduct national searches for both positions, and Harris is well-positioned to help us identify qualified candidates.
