1. Crime and Justice Studies, BA (two modification proposals to be merged upon completion of the workflow process)

[Modification #1: <https://wright.curriculog.com/proposal:5715/form>

The Crime and Justice Studies (CJS) Curriculum Committee approved the creation of a **Military Science Concentration** within the CJS BA Degree. As such, this proposal will create a Crime and Justice Studies, BA with a Military Science Concentration.

CJS core courses will not change-5 required. CJS/MIL concentration students will replace 1 CJS Foundation Area 1 course with MIL 3010/11, 1 CJS Foundation Area 2 course with MIL 3020/22, and the CJS Foundation Area 3 course with MIL 4010/11. MIL 4020/22, a choice of HST 3600 *or* HST 4450, **AND** a choice of an upper division foreign language *or* PLS 4720 *or* PLS 4730 *or* PHL 3110 *or* CLS 3700 will count as the 9 hours in the ADV. CJS electives section. This is a total of 18 hours from the MIL Science minor rolled into the CJS degree. Total hours for this major concentration are 45 (15 courses).

[Modification: #2 <https://wright.curriculog.com/proposal:5834/form>

We are seeking to add **SOC 2700: Introduction to Crime and Justice in Society** as a course choice (option) in the CJS Major Core: Discipline Overview Section. This course was approved as a TAG Intro. to CJS equivalent course in 2020. This additional course will enable students to have a choice of 4 courses, as compared to the current 3, to complete that CJS Core: Discipline Overview requirement.]
