Miami Valley Hospital
30 East Apple Street
Dayton, OH 45409

Learner Objectives

After completing this activity, participants should be able to:

1. What is Intracranial Hypertension?
2. What are the Adverse Effects?
3. How can we monitor?
4. What are the limitations?

For more information, please contact Barbara Darden (Barbara.Darden@wright.edu)

Disclosure: The above activities are not supported by educational grants from commercial entities. The planning committee and presenters have declared that there are no relative financial arrangements or affiliations with a commercial entity that may affect balance, independency, objectivity, or scientific rigor for these CME activities.

Accreditation: Wright State University (WSU) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. WSU designated this CME activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disabilities Statement: As an organization accredited for continuing medical education (CME), Wright State University Boonshoft School of Medicine fully complies with the legal requirements of the Americans with Disabilities Act rules and regulations. If any participant needs accommodations, written requests should be submitted at least one month in advance.
