

*Working together to promote a culture of being inclusive, thoughtful, creative, and be a forward-thinking institution to serve our students.*

- Create an equitable path for academic achievement
  - Developing policies to create a more welcoming environment for freshmen and success pathways.
- Promote a strong collaborative partnership with the Staff Senate, SGA, and the Provost's office.
  - Working on joint initiatives to support student and faculty success.
- Foster a positive and productive academic environment
  - Advocate for the well-being and professional growth of faculty members.
