

2024 University Remediation Report

Name of University:

Wright State University

Ohio Revised Code Section 3345.062 requires the president of each state university to issue a report by December 31, 2017, and each thirty-first day of December thereafter, regarding the remediation of students. The report must include the following areas:

1. The number of enrolled students that require remedial education (FY24 actual).

Number of Students	Description (if needed)
445	First-time students enrolled at Wright State University in FY24 needing remediation as defined by Wright State's placement levels for math and writing. That is 25% of first-time students enrolled at Wright State University in FY24.
423	First-time students requiring remediation in Mathematics based on having Wright State math placement levels less than 30 or missing math placement measures. That is 23% of first-time students enrolled at Wright State University in FY24.
102	First-time students requiring remediation in English based on having Wright State placement levels less than 20 or missing writing placement measures. That is 6% of first-time students enrolled at Wright State University in FY24.
80	First-time students requiring remediation in both Mathematics and English. That is 4% of first-time students enrolled at Wright State University in FY24.

2. The cost of remedial coursework that the state university provides (FY24 actual).

Please select the type of cost in the following areas and describe.

- **Costs to the university:** Please include a description of all university resources allocated in support of and/or on behalf of remedial education, including but not limited to costs associated with the following: faculty & staff, buildings/classrooms, administration, and additional student advising, among others.
- **Costs to the student:** Please include a description of tuition paid by students in pursuit of remedial education.
- **Costs to the state:** Please include a description of state resources provided to your institution in support of remedial education. (See Appendix A containing this information for all state universities.)

Cost Type	Amount	Description
Costs to the university	\$ 18,533.25	Academic Advantage: Program offered by the College of Engineering and Computer Science to review the math skills needed for college readiness. Multiple math sections are offered with the instruction tailored to the student's specific math skill level.
Costs to the university	\$ 176,926.00	Math Remediation: faculty and staff wages and benefits
Costs to the university	\$ 5,805.00	Writing Remediation: faculty and staff wages and benefits
Costs to the university	\$ 10,982.00	Placement Testing: faculty and staff wages and benefits (readers)
Costs to the university	\$ 780.00	Writing Academic Support provided for remediation (Writing Center)
Costs to the university	\$ 6,945.00	Mathematics Academic Support provided for remediation (Math Center)
Costs to the university	\$ 155,271.34	Classrooms: 19 classrooms for remediation courses at ~22,000 sq ft.
Costs to the university	\$ 14,660.00	Placement Testing: direct expenditures
Costs to the student	\$ 269,951.48	Gross tuition paid by students in FY24 for remedial courses
Costs to the state	\$ 10,459.00	SSI for Developmental FTE completed
Costs to the state	\$ 1,683.00	SSI for at-risk FTE

3. The specific areas of remediation provided by the university.

Subject Area	Description
English Composition	Foundations of Reading & Writing: Co-requisite class with English Composition for students requiring
Mathematics	Foundations in math (various): Co-requisite remediation in statistics, quantitative reasoning, and college-

4. Causes for remediation.

Please select all that are relevant from the following categories and provide detail.

- **Lack of student preparation at the K-12 level**
- **Prescriptive placement policies** (over reliance on a single assessment measure)
- **Deferred entry into higher education** (adult students returning to higher education)
- **Other** (any other cause identified by the university)

Cause	Description
Lack of student preparation	20% of first-time students who enrolled at Wright State University in FY24 directly from high school required remediation as defined by Wright State's placement levels for math and writing. 19% required Mathematics remediation and 4% required English remediation.
Deferred entry	66% of first-time students age 23 or older enrolled at Wright State University in FY24 required remediation.
Other	23% of first-time students enrolled at Wright State University in FY24 had an expected family contribution (EFC) of 0. Of those students, 37% required remediation. Conversely, 25% of first-time students enrolled at Wright State University in FY24 had an EFC of 20,000 or higher. Of those students, 10% required remediation.
Other	28% of first-time, first-generation students enrolled at Wright State University in FY24 required remediation.
