

JOINT NCBP & CARDIO-RENAL INSTITUTE SEMINAR

FACULTY CANDIDATE

DIETARY SALT, MYELOID JAK2-STAT3 AND SMAD3 PATHWAY IN SALT-SENSITIVITY OF BLOOD PRESSURE AND AUTOIMMUNE DISEASES

TIME
10:00 AM

WEDNESDAY
23 JULY 2025

NEC AUDITORIUM

Explore how the JAK2-STAT3-SMAD3 pathway in myeloid antigen-presenting cells contributes to inflammation and the progression of salt-sensitive blood pressure and autoimmune diseases

MOHAMMAD SALEEM, PHD

RESEARCH INSTRUCTOR | DEPARTMENT OF MEDICINE, DIVISION OF CLINICAL PHARMACOLOGY | VANDERBILT UNIVERSITY MEDICAL CENTER
