

THE WSU DEPARTMENT OF
POPULATION & PUBLIC HEALTH
SCIENCES & THE CENTER FOR HEALTH
PROFESSIONS PRESENTS:

PUBLIC HEALTH: UNITING HEALTH PROFESSIONS

Learn how the public health major and minor can be applied to health professions. Stay for the journal club if interested *All are welcome; come and go as you are able!*

MONDAY, NOVEMBER 17TH, 12-1:30 PM
CENTER FOR HEALTH PROFESSIONS
222 STUDENT SUCCESS CENTER

**FREE PIZZA, SNACKS AND
DRINKS!!!!**

EPIDEMIOLOGY JOURNAL CLUB

**HOSTED BY DR. TIMOTHY
CRAWFORD, PPHS**

**Have you ever been interested in
understanding and discussing how
we detect, track, and control
disease in populations?**

*If you want to learn more, come to the
inaugural Epidemiology Journal Club meeting.
We will discuss the article "Acetaminophen
Use During Pregnancy and Children's Risk of
Autism, ADHD, and Intellectual Disability."
By Victor H. Ahlqvist et al.*

This first meeting is an orientation and
overview of the club - feel free to come and
observe to see if the club is for you OR review
the article and join in the discussion,
whatever you feel comfortable with.

**Following the Public Health: Uniting
Health Professions event;
2 PM in the Center for Health
Professions, 222 Student Success Center**
